

2010 – 2011 REMHA Female Directors Message

The Female Hockey Program in the River East Minor Hockey Association (REMHA) continues to grow and will see some exciting changes this season. One of the biggest changes is that we will now be offering a city wide Female Novice Program for players aged 8 and under. Those players who wish to play on an all female team should ensure that they register for female hockey during your club registration dates in late August and early September.

REMHA hosts female teams that play within the WMHA at the Novice (02,03,04), Atom (00,01), Pee Wee (98,99), Bantam (96,97), Midget (93,94,95) and Juvenile (92,91,90) age groups. We combine our female program with the Lord Selkirk Minor Hockey Association (LSMHA) and conduct joint tryouts for A1 and A2 teams at the Atom and Pee Wee levels and for AA, A1 and A2 teams at the Bantam and Midget levels.

The LSMHA hosts the Bantam AA Fishermen program and REMHA hosts the Midget AA Marauders program. All players must register at their home club prior to registering for Bantam or Midget AA tryouts. Registration dates for the REMHA Midget AA Marauders will take place on September 2 and 9 from 7:00 – 9:00 PM at Gateway Recreation Centre. LSMHA Bantam AA registration and tryout dates will be posted on the REMHA and LSMHA website. Please check with your local club for club registration dates which will likely be on September 1 & 8 along with another date.

We are now accepting coaching applications for all teams for the 2010 – 2011 season. If you require any information on the REMHA Female Program please contact Tom Thomas at Thomas17@mts.net or at 661-8814.

Yours in hockey,
Tom Thomas
Female Hockey Director, REMHA
